HELPING ENSURE PEOPLE HAVE ACCESS TO HEALTHY FOOD

As Community Living Oakville celebrates the **40th Annual Golf Tournament**, we are also addressing a growing challenge affecting many people we support: **food insecurity**.

Many people supported by Community Living Oakville rely on **government assistance** such as the **Ontario Disability Support Program (ODSP)**. With increasing food prices and limited incomes, some people are facing difficult choices between purchasing food and paying for other essential expenses.

Your sponsorship helps ensure people have access to healthy meals, proper nutrition, and the stability they need to live well in our community.

Funds raised through this year's tournament will help provide:

- Grocery support for people facing rising food costs
- Access to healthy and nutritious meals
- Support for specialized dietary needs
- Opportunities for people to remain healthy, active, and connected in their community

Your support helps ensure people supported by Community Living Oakville can live with **dignity, stability, and opportunity, not uncertainty about their next meal.**

CELEBRATING 40 YEARS OF COMMUNITY IMPACT

Community Living Oakville is a charitable, non-profit organization supporting more than **300 people with developmental disabilities**.

For over **70 years**, we have worked alongside people and their families to support independent living, employment opportunities, and meaningful participation in the community.

The **40th Annual Golf Tournament** is our longest-running and most impactful fundraising event, bringing together local businesses, community leaders, and supporters who believe in building a more inclusive community.

100% of proceeds support Community Living Oakville.
